

### **Why Bella Dance Center?**

At BDC we strive to shape and mold creative, confident dancers. Dancers are taught technique, creativity and the art of dance in a structured, positive environment. We strive to bring out the very best in each dancer and encourage their unique individual personalities. Every child is an individual yet we are a dance family.

Our goal is to provide your child professional instruction in a nurturing environment. Our instructors address each class with a loving and caring approach which promotes self-confidence, discipline and a genuine respect for dance as an art form.

## What is B.D.C. Dance Team?

Bella Dance Center's Dance Team is a competitive dance team. Each dancer is handpicked by our director and instructors.

There are three levels and age groups. The competition teams not only pay monthly tuition charges, but they have additional fees to cover competition entry fees, workshop fees, travel expenses, costume fees, and team fees.

Through dance competitions, performers of all ages are able to display their talents in a healthy and exciting atmosphere and use the experience to improve their skills and confidence.

By sponsoring a B.D.C. dancer, you are supporting involvement and exposure to the arts.
